## USA Hockey

A membership in USA Hockey is required for participation with the Helena Women's Hockey Team. Registration can be done online at [www.usahockeyregistration.com](http://www.usahockeyregistration.com), or printed registration forms can be provided at your request. When returning this membership form, please attach proof of your USA Hockey registration. Online registration will allow you to create a PDF file of your registration form. If you do so, you can e-mail this PDF file directly to HWH at [helena.womenshockey@gmail.com](mailto:helena.womenshockey@gmail.com)

**Current members will not be allowed to take the ice at our first practice unless your completed USA Hockey registration form has been received.**

## Membership Fee

In order to participate in organized games or tournaments, skaters must be members of Helena Women's Hockey. For *this season* there will be no membership fee; however, each member must complete page 1 of this form and return to HWH.

## Volunteer Position

As a participant in the Helena Women's Hockey (HWH), I understand that the organization can only maintain itself and work towards its goals if I offer my volunteer time to the efforts of the group. As a part of my membership, I not only commit membership fees, but also my time. I understand that I will be responsible to contribute to the home tournament organization and may be asked to offer additional assistance to the team throughout the season in order to successfully accomplish the mission of the team.

## Travel Tournaments

All travel tournaments will have a set fee of \$55, payable in advance of the tournament. Before the team will commit to attending any tournament, there must be at least 10 players and 1 goalie that have paid the tournament fee of \$55 and committed to traveling. To guarantee fair ice-time, a maximum of 15 players and 1 goalie will be accepted for any given tournament and slots will be filled on a first-come basis. Upcoming tournaments will be announced to the team as information becomes available.

## Ice Fees

The 2011-2012 Season will consist of two playing sessions. Session 1 begins October 2<sup>nd</sup> and ends December 18<sup>th</sup>. Session 2 begins January 8<sup>th</sup> and runs through March 25<sup>th</sup>.

- Fees for each session are \$95. The team will make every effort to include 12 practice skate sessions in each session, however due to rink scheduling and coordination with team tournament travel events, the number of skates may change. I understand that regardless of the number of skating sessions (+ or -), that my fees will not change.
- If a full session fee payment is infeasible for you, please contact a board member to establish an alternate payment schedule. Payment installments must be received monthly at a minimum.
- If a member is injured mid-session and is unable to continue play for the remainder of the session, or for a significant portion of the session, fees will be refunded on a prorated basis.
- HWH members are strongly encouraged to pay ice fees in one lump sum for each session, due at the first skate of each session. When full session fees are paid in a lump sum, each session costs \$95.00.\* (Fees for the second session may be reevaluated at the conclusion of the first session.)
- Full-time students (must provide copy of student ID and class schedule) and active military personnel (must provide copy of current military ID) will be given a 50% discount on session fees if they pay for the full session.

\*Full session ice fees are reduced by the proceeds from the previous year's tournament and therefore these reduced full-session fees are only an option for Helena Women's Hockey members in good standing, with up-to-date membership forms completed and USA Hockey Registration completed.

**Skates outside of the Sessions:** If additional practices are held outside of the two sessions, fees will be paid on a per-skate-basis. (\$15/skate)

**Monthly fees:** Individuals who choose not to pay the full session fee, but who show up to skate, may pay on a monthly basis - \$48/month. Monthly payments cover one calendar month which may be 4 or 5 skates, depending on the month. Monthly fees are not refundable if member does not skate every Sunday of the month. USA Hockey Registration is still required.

**Drop-in Skaters:** Individuals who choose not to pay the full session fee, but who show up to skate, may pay on a per-skate-basis - \$15 per skate. USA Hockey Registration is still required.

**Goalies:** Goalies receive one season's worth of free skate fees per lifetime when beginning play with Helena Women's Hockey. Goalies must still pay the HWH membership fee (NA for this season) and must cover all of their own tournament fees.
